Tool Name	AI Roles	Teachers' notes
MyEssayFeedback	Formative Writing Coach. A student-facing platform designed to give fast, structured feedback on essay drafts without giving away the answers. - Generates lightning-fast formative feedback based on instructor parameters. - Provides targeted, iterative draft support - Promotes metacognitive skills by forcing students to critique the AI's feedback.	Focuses entirely on formative revision; it does not assign numerical grades or summative scores. Prompting may take a lot of time and testing.
